To add a guest/club pass player to an event roster, you'll first want to be sure that the event allows both types of players. Once this is done here are the steps:

1. Add the player that you're using for the event a player role with your club by going to:

Club management>players>add player. Here you will look up that player and add them to your account.

The main content area shows a table of players for MAMBAFC. A red box highlights the 'Add Player' button, and a red arrow points to the 'Add User' modal form.
