Players must align with the new birth year standard defined by US Soccer guidelines. A team using guest players may have no more than four (4) to six (6) loan/guest players depending on age group.

Competitive teams, except for foreign/international teams, must be registered with a National Soccer Association affiliated with US Soccer/US Youth Soccer and must present a valid State roster. For these teams, the only acceptable proof of age will be a valid US Soccer/US Youth Soccer, State, or National registration card that includes a signature and a photograph of the player. Players on these competitive teams who do not present valid player passes will not play.

The recreational team must produce, at registration, a roster signed by an official of the club (which club must be affiliated with US Youth Soccer or some other

national soccer organization) of which they are affiliated and played for, listing each player, including their date of birth, and must provide, at registration, a birth certificate or state or national certified player pass, for each such player evidencing that player's eligibility to play on that team based on birth date.

A player may compete for only one team participating in the tournament. In the event a player is found to have played for more than one team in the tournament, the second team on which the player played in the tournament shall be deemed as the team that fielded an ineligible player. Any team fielding an ineligible player will be disqualified from the tournament and their tournament fee will be forfeited.

Teams participating in the tournament must provide a medical release for each player in a format as required by the Tournament Committee and as posted on the tournament website. These authorizations shall be presented at registration and a copy kept by the team at the field available for presentation in the event of an emergency.

Where required by the State or National Association for which a team/player is registered, all competitive teams/players traveling from within the United States but outside the State of Florida must have a copy of their Permission to Travel Forms, approved and signed by a USSF or duly authorized State or National Association representative.

### 17. DETERMINATION OF PLAYOFF FINALISTS

Finalists will be determined through a seeding format or by a division winner's format. The Tournament Committee will decide which format each age group and bracket will follow. This will be announced before the commencement of the competition. The rules to determine tiebreakers will be the same for either format. Each team will be awarded three (3) points for a win, one (1) point for a tie, and zero (0) points for a loss. At the end of the preliminary rounds, if the division winner determines the finalists for a particular age group and bracket, the division winner will be the team with the most points in their division. In the event of a tie within a division, the following criteria will be used to determine who moves forward:

- 1. Head-to-head competition (this criterion will not be considered in the case of a tie among more than two (2) teams.) \*\*\*\*
- 2. Goal differential to a maximum of four (4) per game.
- 3. Most goals are scored to a maximum of four (4) per game.
- 4. Least goals allowed to a maximum of four (4) per game.
- 5. Total number of shutouts
- 6. FIFA penalty kicks.

\*\*\*\* In the event of a tie between more than two teams, once a tie is broken by the above system, and if ties between remaining teams still must be decided, starting again from the top of the tie-breaking procedure would break those ties.

If a wild card team must be selected for the playoff rounds, the above procedure will be used across the entire age group and bracket involved.

If a division winner does not show up for play, the division team with the next-best record shall be named the division winner.

In the event the finalists for a particular age group and bracket are determined by seeding, the finalists (or semi-finalists if applicable) shall be determined based upon the two teams (or more if semi-finals are applicable) with the most points in the overall age group and bracket involved. In the event of a tie, the same criteria as utilized for division winners shall be used to determine the finalists.

If there is an age group(s) and bracket, in which semi-finals are held, to be determined at the discretion of the Tournament Committee, the foregoing rules shall be applied to determine the teams that shall qualify for the semi-finals.

### 18. PLAYOFFS

- A. Depending on the number of teams in the division/ age group bracket, there may be a playoff.
- B. If there are playoffs and a wild card team must be selected for the playoff rounds, that team will not be assigned to play the winner of its division in the first playoff round.
- C. In the case of a draw at the end of regulation time in the playoff rounds, the winner will be determined as follows:
  - 1. The best of five penalty kicks taken alternately by each team will determine the winner. Only those players on the field at the end of regulation time of the playoff game may compete. If the penalty kick score is tied at the end of the five kicks, the teams will continue to take penalty kicks alternately until there is a winner. All players on the field must kick before any player may kick a second time.

### 19. CONCUSSIONS

Under Florida Statutes (FS 943.0438) Florida in 2012 enacted a very stringent Head Injury and Concussion Law. If the referee (or assistant referee) believes that, in his/her opinion, a player has suffered a head injury or possible concussion, the match must be stopped IMMEDIATELY. The injured player if able to leave the field on their own must be escorted to their coach and the coach must be told that the player cannot return for the duration of the match. If a trainer is brought onto the field because the player is incapacitated, the referee must still notify the coach that the player cannot return to the game. It is the responsibility of the coach and the player's parent(s) or legal guardians to seek medical attention. The player may not resume participation until he/she has been cleared by a medical doctor. The Referee HAS NO FURTHER responsibility beyond removing the player from the match in which the player was injured. The referee crew must ensure, that UNDER NO CIRCUMSTANCES or due to the appeal from any coaching staff that the player is not allowed to return to the game.

- At the end of five (5) kicks the game will be scored as a 1-0 win for the team that has scored more penalty kicks, or a 0-0 tie if both teams are tied in penalty kicks at the end of five (5) kicks.
- In the overall standings, 3 points will be given for the win, 1 point for a tie, and 0 points for a loss.
- The 1-0 on penalty kicks will be counted for or against to determine the tiebreaker for advancement.
- If regular games have been played in the bracket and the Tournament Director has determined that other games go to penalty kicks due to inclement weather or field conditions, the regular game's score will revert to a 1-0 win or a 0-0 tie.

Only referees or duty managers can suspend a match already started due to weather conditions. The Tournament Director will determine the duration of any suspension. In case of extreme weather (heat/humidity), a break will be given at the midpoint of each half of regulation time and the end of each overtime period (if played) for player hydration. This break will be given at a normal stoppage of play, and it is mandatory for any FYSA-sanctioned match during which the air temperature is or is expected to reach eighty-five (85) degrees.
